Dear Gear Up, I think this year we should try to get heroes from all the different counties to interact with each other more. I'm not saying, or anything but uhm, LC's hero program is not that great, so I'm thinking we should all get together and share ideas about how to reach out to our school and get them more involved with higher education. ^_^

College Going Assessment
Activity
Best Practices: Beginner

Announce a College Fact each Morning

Post Scholarships, ACT/SAT Deadlines on School Social Media Sites

Include an ACT/SAT “Question of the Week” on Marquees

Add a “College Day” during your regular “Spirit Week”

Post “Ask Me About College” signs on teachers’ doors/staff desks

Publish College Going Rates – Set Goals
Best Practices: Intermediate

Create “college correspondents” for student-led media outlets
Create a College-Going Trophy Case/Visible Display
FAFSA Filing and Application Rivalries Between Schools – Pair w/Athletics
Student-Led College Fair
Ask Businesses to hang “Ask Me About College” or “College Goal Sunday” signs
Post College Acceptance Letters
Host Student Alumni Panels
Best Practices: Advanced

Create a College-Readiness Steering Committee with Students

Sponsor a Community-Level College Access and Student Success Summit

Student Leader Presentations

Host College Training Days

Partner with colleges to offer “guest lectures” at the high school as classroom lessons; conversely, allow students to schedule and introduce guests
