Agenda

Tuesday, October 31, 2017

7:00 am – 8:00 am	Breakfast	Tuscany 11
8:30 am – 11:00 am	Site Visits (Meet busses in lobby at 8:15 am) APTT cohort meeting – Lemelson Elementary High School Family Graduation Advocates – Spanish Springs H.S. Home Visit Panel – Sparks Middle School Parent University, Family Storyteller – Echo Loder Elementary	Hotel Lobby
12:30 pm – 1:30 pm	Lunch & Debrief Adjourn	Tuscany 10

APTT Cohort Meeting – Lemelson Elementary

Experience professional learning for school staff on the Academic Parent Teacher Teams model. Representatives from four schools will meet and reflect on their fall APTT meetings with families, review their data and plan for their winter APTT meeting.

High School Family Graduation Advocates – Spanish Springs High School

Take a bus ride through the neighborhoods that are zoned for Spanish Springs High School, including Sun Valley and Hungry Valley. Experience the geographic challenges that exist with reaching families that are far away from their zoned high school. Hear from a panel of families, administrators and Family Graduation Advocates as to how the high schools' efforts to engage families have supported our students and their families.

Home Visit Panel – Sparks Middle School

The Parent Teacher Home Visit Project is a nationally known best practice in family engagement, but how does a school embed day-to-day practices that sustain a culture of home visiting over time? Learn from Sparks MS home visiting champions how they lift up this practice at their school and also how they connect their home visiting practices to other initiatives such as data chats with families and restorative justice.

Parent University – Echo Loder Elementary

Sit side by side with our families and learn about early literacy practices that you can replicate at home. Family Storyteller is a homegrown early literacy program that was developed by leaders at the University of Nevada, Reno decades ago and is still used today in our Parent University. This class will be taught in Spanish so be prepared to wear translation headsets.
