Pennsylvania’s Partnership Standards

- **Standard PL.1:** Families are supported in times of need.
- **Standard PL.2:** Families experience relationships with early care and education programs that are affirming, reciprocal, and build upon their strengths.
- **Standard PL.3:** Families have the support and information they need to encourage their children’s learning and development.
- **Standard PL.4:** Family members have support from other families.
- **Standard PL.5:** Families have goals of their own and benefit from having supportive partners to help reach their goals.
- **Standard PL.6:** Families grow in their leadership and use these skills in many different ways.
- **Standard PL.7:** Families are supported in times of transition.

- **Standard PL.8:** Families are supported and connected to community resources.
- **Standard PL.9:** School communities and families build partnerships that are affirming, reciprocal, and respectful.
- **Standard PL.10:** Families have the knowledge and understanding to encourage and support their students’ learning and development.
- **Standard PL.11:** Family members have support from other families empowering and strengthening the entire school community.
- **Standard PL.12:** Families are supported by the school community to develop and use leadership and advocacy skills.
- **Standard PL.13:** Families are supported in times of transition.
Standard PL1: Families are supported in times of need.

RESOURCES FOR FAMILIES
