These How-to Cards introduce multiple pathways and features to help children get started using the PBS KIDS ScratchJr app.

Print, cut, glue, and make them available for children to reference as they work with the app.

The cards were inspired by the Scratch Activity Cards – scratch.mit.edu/cards

The contents of these how-to cards were developed under a grant from the Department of Education. However, these contents do not necessarily represent the policy of the Department of Education, and you should not assume endorsement by the Federal Government.
